

# CHD Conversations: Transition Support Group

**Are you between 18-30 years old? Are you having thoughts and feelings about the transition you would like to share with others in a similar situation? Join this group of young adults, to support each other as we navigate the healthcare system of moving from pediatric to adult cardiac care. Bring your experience and your listening skills, so you can share as much or as little as you would like about this process. The transition of care can be hard, but together we hope we can make it a little easier.**

**Hosts:** Nicole Antonville, RN, MSN, Transition Nurse Coordinator, Ahmanson/UCLA Adult Congenital Heart Disease Center, and Roslyn Rivera, RN, BSN, CPN, CT Surgery Nurse Care Manager, CHLA

**Meet us on ZOOM the 3rd Thursday of every month.**

**Register at <https://www.achaheart.org/>**

***Note:** This virtual event is open to young adult CHD patients nationwide.*
