

# **Community Survey of Goals, Expectations, and Experiences of Treatment-Seeking Trans and Gender Expansive People Listed as Female at Birth**

## **A UCLA Research Study**

- Anonymous, online, voluntary survey of goals, expectations, and experience
- Ages 18+ and listed as female at birth
- 20-30 minutes long
- Help researchers understand differences in experiences of gender-affirming treatments
- Help steer future research priorities
- Chance to win one of five \$50 gift cards

Participation in the study is not required to participate in the raffle. Odds of winning will vary based on participation, but we expect them to be no lower than 1 in 10,000.
