

CURRICULUM VITAE

JULIET BENI EDGCOMB, M.D., PH.D.

(Juliet Beatrice Beni)

PERSONAL HISTORY:

Semel Institute for Neuroscience and Human Behavior
University of California, Los Angeles (UCLA)
760 Westwood Plz, 37-372A
Los Angeles, CA 90095
T: (310) 794-2053; F: (763) 244-1639
jedgcomb@mednet.ucla.edu
U.S. Citizen

EDUCATION:

2004	A.A.	Riverside City College
2008	B.A.	University of California, Riverside
2010	M.A.	Psychology. University of California, Riverside
2012	Ph.D.	Psychology; minor in Quantitative Methods. University of California, Riverside
2016	M.D.	David Geffen School of Medicine. University of California, Los Angeles.

POST-GRADUATE TRAINING:

2016-2020	Resident, General Psychiatry UCLA Neuropsychiatric Institute
2019-2020	Chief Resident, General Psychiatry UCLA Neuropsychiatric Institute
2020-2023	Fellow, Child and Adolescent Psychiatry UCLA Neuropsychiatric Institute
2020-2023	Postdoctoral Scholar, Child Mental Health Intervention Research UCLA Neuropsychiatric Institute

LICENSURE:

2017	Medicine, California A153003
------	------------------------------

BOARD CERTIFICATION:

2020	Diplomate, American Board of Psychiatry and Neurology, Psychiatry, #77234
2022	Diplomate, American Board of Psychiatry and Neurology, Child Psychiatry, #12325
2024	Diplomate, American Board of Preventive Medicine, Clinical Informatics No. 31-25457

PROFESSIONAL EXPERIENCE:

Academic Appointments and Advancements

2023-	Assistant Professor In-Residence, UCLA Semel Institute for Neuroscience
2023-	Assistant Professor In-Residence, Division of Child & Adolescent Psychiatry, Department of Psychiatry, UCLA David Geffen School of Medicine

Positions

2007-08 Research Assistant, Department of Psychology, UC Riverside
2008-12 Graduate Student Researcher, Department of Psychology, UC Riverside
2009-12 Teaching Assistant, Department of Psychology, UC Riverside
2012 Instructor, Department of Psychology UC Riverside
2019-20 Chief Resident, UCLA Semel Institute for Neuroscience
2023- Physician Informaticist, Resnick Neuropsychiatric Hospital, David Geffen School of Medicine at UCLA

PROFESSIONAL ACTIVITIES:

National and University Committees/Workgroups

2013-14 Co-founder/Co-president, Pediatrics Interest Group, UCR/UCLA Thomas Haider Program in Biomedical Sciences.
2016-19 Member, West Los Angeles Veterans Affairs Resident Action Committee
2017-18 Residents' Council Secretary, UCLA Neuropsychiatric Hospital Residency Training Program
2017-18 Member, Nurse-resident Liaison Committee, UCLA Neuropsychiatric Hospital
2017-18 Co-founder/Co-president, *Women in Psychiatry*, UCLA Neuropsychiatric Hospital Residency Training Program.
2018-19 Residents' Council Co-president, UCLA Neuropsychiatric Hospital Residency Training Program
2018-19 Member, Supervised Call Committee, UCLA Neuropsychiatric Hospital Residency Training Program
2018-19 Resident Informaticist, UCLA Health System
2018-20 Member, Chief Resident, Residency Oversight Committee, UCLA Neuropsychiatric Hospital Residency Training Program
2018-20 Member, Program Evaluation Committee, UCLA Neuropsychiatric Hospital Residency Training Program
2018-20 Co-chair, Resiliency and Adversity Committee, UCLA Neuropsychiatric Hospital Residency Training Program
2018-20 Member (Fellow), Council on Quality Care, American Psychiatric Association
2019-20 Vice Chair, Child and Adolescent Psychiatry Fellowship, American Psychiatric Association
2019-21 Member, AACAP Health Information Technology Committee, American Academy of Child and Adolescent Psychiatry
2020-21 Resident Informaticist, UCLA Health System
2022- Member, Holistic Review Admissions Committee, UCLA Neuropsychiatric Hospital Child and Adolescent Psychiatry Fellowship Training Program

Editorial

2021-22 Academic Psychiatry Trainee Editorial Fellowship

Ad Hoc Reviewer

2019 Journal of Child and Adolescent Psychopharmacology
2019 - American Medical Informatics Association, Informatics Summit

2019 -	Psychiatric Services
2020-21	Journal of Attention Disorders
2020-21	Journal of Social Psychiatry and Psychiatric Epidemiology
2020 -	Journal of Medical Internet Research
2020-22	General Hospital Psychiatry
2020 -	Health Services Research
2021 -	Academic Psychiatry
2022 -	Health Informatics Research
2022 -	British Medical Journal Open
2023 -	Acta Psychiatrica Scandinavica
2023 -	Journal of the American Medical Informatics Association

Memberships

American Academy of Child and Adolescent Psychiatry

American Medical Informatics Association

American Psychiatric Association

Southern California Society of Child and Adolescent Psychiatry

Southern California Psychiatric Society

Alpha Omega Alpha Honor Society, UCLA Delta Chapter

Gold Humanism Honor Society

Other Professional Activities

2018	Early Research Career Colloquium, American Psychiatric Association
2020	Early Research Career Colloquium, Academy of Child and Adolescent Psychiatry
2021	Child Intervention, Prevention, & Services (CHIPS) Fellowship
2022	CLN145V: Notecraft for Clinicians (Epic Physician Builder Training)
2023	CLN150: Physician Builder Basic (Epic Physician Builder Training)
2023	CLN160: Physician Builder Advanced (Epic Physician Builder Training)
2023	CLN171: Physician Builder Analytics (Epic)
2023	CLN2401v: Implementing Extension-Based Cognitive Computing Models (Epic)

Community Service

2012	Volunteer, Riverside Community Hospital Auxiliary
2012-13	Member, Patient and Family Advisory Council, Riverside Community Hospital Auxiliary
2012-13	Volunteer, Riverside Free Clinic
2014	Volunteer, Kaiser Permanente Southern California Community Medicine, Riverside
2014-15	Volunteer, Operation Matriculation, David Geffen School of Medicine at UCLA
2015-16	Volunteer, Gold Humanism Honor Society, David Geffen School of Medicine at UCLA
2019	Volunteer, Los Angeles Homeless Count, Los Angeles

Teaching

UCLA Teaching

2014	Lecturer. Histopathology and Neoplasia. UCR/UCLA Medical Student Study Program.
2014	Lecturer. Endocrinology and Reproductive Sciences. UCR/UCLA Medical Student Study Program.

- 2015 Tutor. Multidisciplinary Teaching Fellowship. Doctoring 4. Systems Based Health Care. David Geffen School of Medicine at UCLA.
- 2015-17 Founder/Lead Presenter. UCLA Psychiatry Residency Q&A Session for Medical Students. David Geffen School of Medicine at UCLA.
- 2017 Presenter. Intern Orientation to Medical Emergencies. UCLA Neuropsychiatric Hospital Residency Training Program
- 2017 Co-instructor. Medical Student Didactic Series in Psychiatry (MS3). Year-long program.
- 2018 Neurology and Psychiatry Resident Roundtable. David Geffen School of Medicine at UCLA.
- 2018 Instructor. Problem Based Learning, Medical Neurosciences. David Geffen School of Medicine at UCLA.
- 2021 eLearning Module Instructor. Provider CareConnect Training Course.
- 2022 Lecturer. Neurobiology of Suicide. PGY-2 Didactics. UCLA Neuropsychiatric Hospital Residency Training Program
- 2023 Presenter. Psychiatry Residency Research Track Retreat and Symposium.
- 2024- Attending Psychiatrist. Child Anxiety, OCD, and Tic Disorder Teaching Clinic

UC Riverside Teaching

- 2009 Teaching Assistant. Health Psychology PSYC178 (Spring)
- 2009 Teaching Assistant. Research Methods PSYC12 (Fall)
- 2010 Teaching Assistant. Health and Behavior Change PSYC179 (Winter)
- 2010 Teaching Assistant. Advanced Research Methods PSYC110 (Spring)
- 2011 Teaching Assistant. Health and Behavior Change PSYC179 (Fall)
- 2011 Teaching Assistant. Health Psychology PSYC178 (Spring)
- 2011 Instructor. Health Psychology PSYC178 (Summer)
- 2011 Teaching Assistant. Research Methods PSYC12 (Fall)
- 2012 Teaching Assistant. Health and Behavior Change PSYC179 (Winter)
- 2012 Instructor. Health Psychology PSYC178 (Spring)
- 2012 Instructor. Health Psychology PSYC178 (Summer)

Clinical Training Mentorship

- 2011-12 Ashley Stone, MD. Big Sib-Little Sib Program, UC Riverside School of Medicine.
- 2014-16 Yuri Cheung, MD. Big Sib-Little Sib Program, UCR/UCLA Thomas Haider Program.
- 2017-18 Laura Obler, MD. Big Sib-Little Sib Program, UCLA Neuropsychiatric Hospital Residency Training Program
- 2018-20 Trevor Shaddox, MD PhD. Big Sib-Little Sib Program, UCLA Neuropsychiatric Hospital Child Psychiatry Fellowship Training Program

Research Mentorship

- 2008-09 Leticia Roman, MSW. Research Assistant in DiMatteo Lab.
- 2009-10 Phuong Nguyen, PA. Research Assistant in DiMatteo Lab.
- 2010-11 Kevin Eng, MD. Research Assistant in DiMatteo Lab.
- 2010-11 Dolores Torres, BA. Research Assistant in DiMatteo Lab.
- 2021 Near-Peer Mentor for Grantees in Structural Racism. American Psychiatric Association Foundation.
- 2021-22 Catherine Wilkerson, MA. Research Assistant in Center for Health Services and Society.

2022 Liliana Perez, BS. Medical Student, UCLA David Geffen School of Medicine
2023- Chrislie G. Ponce, BA, BS. Staff Research Associate, Semel Institute
2024- Alanna Montero, BS. Staff Research Associate, UCLA Semel Institute
2024- Elyse Tascione, MA. Staff Research Associate, UCLA Semel Institute

HONORS AND AWARDS:

2003-04 U.S. President's Education Award for Outstanding Academic Excellence
2004 Woman of the Year Scholarship. Riverside City College
2007-08 Chancellor's Honors List. UC Riverside.
2011 Outstanding Teaching Assistant Award. UC Riverside
2012 Youngest Ph.D. Graduate, age 19. UC Riverside
2013 Riverside Medical Clinic Summer Externship Award.
2014-15 Letters of Distinction: Surgery, Internal Medicine, Ambulatory Medicine, Psychiatry, Neurology, Pediatrics and Ob/Gyn (96th percentile). David Geffen School of Medicine at UCLA.
2016 American Medical Women's Association (AMWA) Certificate of Commendation
2016 UCLA Richard D. Walter Award for Excellence in Neurology
2016 UCLA Louis Jolyon West Award for Excellence in Psychiatry
2016 Gold Humanism Honor Society
2016 Alpha Omega Alpha Honor Society
2017 Outstanding Teaching Intern Award. UCLA Department of Psychiatry & Biobehavioral Sciences.
2017 American Academy of Child and Adolescent Psychiatry Education Outreach Program (AACAP-EOP) for Adult Psychiatry Residents
2018 Alex Rogawski Memorial Prize (research paper award), Hatos Foundation
2018 William Webb Fellowship, Academy of Consult Liaison Psychiatry
2018 American Psychiatric Association Foundation Research Colloquium Travel Award
2018 UCSF California-Wide Psychiatry Research Resident Retreat Travel Award
2018 NIMH Outstanding Resident Award. Honorable Mention.
2019 Dlin/Fischer Clinical Research Award (research paper award), Academy of Consult Liaison Psychiatry
2020-21 Steven, Sally, and Isabel Grimes Investigator, Research Partners Program. Brain and Behavior Research Foundation.
2022 Ritvo Fellow Award, UCLA Department of Psychiatry & Biobehavioral Sciences.
2023 Deeda Blair Research Initiative Award. Foundation for the National Institute of Health.
2023 Distinguished Paper Award, American Medical Informatics Association, Informatics Summit
2023 Alex Rogawski Memorial Prize (research paper award), Hatos Foundation
2023 21st Century Psychiatry Prize (research paper award), Hatos Foundation

RESEARCH GRANTS AND FELLOWSHIPS RECEIVED:

Active, as Principal Investigator

Case Detection and Risk Prediction of Pediatric Suicide-related Behavior

Funding Source: Harvey L. and Maud C. Sorensen Foundation

Role: Principal Investigator

Purpose: To develop and validate electronic health record phenotyping approach for child and adolescent suicide-related behavior and to pilot development of a predictive model of pediatric suicidality using EHRs.

Mentors: Bonnie Zima, MD MPH

Funding Dates: 7/1/2021-6/30/2025

Electronic Health Record Phenotyping for Case Detection and Prediction of Emergency Department Visits for Child and Adolescent Suicide Attempts (1K23MH130745-01)

Funding Source: National Institute of Mental Health

Role: Principal Investigator

Purpose: Develop phenotyping methods for detection and risk prediction of child and adolescent suicide attempts using natural language and structured data, ascertain usability and feasibility of EHR-embedded phenotyping using modified Delphi Panel.

Primary mentor: Bonnie Zima, MD MPH

Secondary mentors: Neal Ryan, MD, Jyotishman Pathak, PhD, Chi-hong Tseng, PhD, and Loes Olde Loohuis, PhD

Funding Dates: 9/15/2022-9/15/2027

High Throughput Phenotyping of Childhood-Onset Serious Mental Illness Using the Common Semi-Supervised Approach and Weak Supervision with Deep Learning

Funding Source: Foundation for the National Institute of Health | Deeda Blair Research Initiative Award

Role: Principal Investigator

Purpose: Ascertain phenotypes of childhood-onset mental illness and suicide attempts using semi- and weakly-supervised approaches to electronic health records.

Funding Dates: 01/01/2023-12/31/2024

Active, as Co-Investigator

DataX Collaborathon Working Group Microgrant (PIs: Zima, B., Bui, A.)

Funding Source: Office for the Vice Chancellor for Research and Creative Activities, UCLA

Purpose: Develop strategic plan for new Mental Health Informatics and Data Science (MINDS) Hub in collaboration with UCLA Medical Informatics

Funding Dates: 10/1/23-8/31/2024

Past grants and fellowships

Chancellor's Distinguished Fellowship

Funding Source: University of California Riverside.

Role: Graduate Student Researcher

Purpose: Competitive fellowship for support of graduate student research.

Faculty Mentor: Robin DiMatteo, PhD

Funding Dates: 9/1/2008-6/30/2012

Training in the Science of Child Mental Health Treatment

Funding Source: National Institute of Mental Health (NIMH), T32MH073517-12 (PI: McCracken)
Role: Postdoctoral Researcher
Purpose: Training researchers in intervention science for child mental disorders. Postdoctoral researchers receive formal didactic and experiential training as well as training in ethical issues in research involving children.
Faculty Mentors: James McCracken, MD; John Piacentini, PhD
Funding Dates: 7/1/2017-6/30/2022

Electronic Health Record Phenotyping for Cohort Discovery of New-onset Suicidality in Youth.

Funding Source: American Foundation for Suicide Prevention (AFSP)

Role: Principal Investigator

Purpose: Pilot award to support a research project with significance to prevention of suicide. This project develops phenotyping methodology for child and adolescent suicide-related behaviors.

Faculty Mentors: Bonnie Zima, MD MPH; Chi-hong Tseng, PhD

Funding Dates: 10/1/2020-10/1/2021

Children's Acute Mental Health Service Use and Outcomes during the COVID-19 Pandemic

Funding Source: American Psychiatric Association Foundation (APAF)

Role: Principal Investigator

Purpose: To describe changes in emergency department utilization by 6- to 12-year-old children for acute behavioral health concerns before, during, and after COVID-19 related school closures.

Faculty Mentor: Bonnie Zima, MD MPH

Funding Dates: 7/1/2020-7/1/2021

Electronic Health Record-based Detection of Self-harm and Suicidal Behavior in School-age Children

Funding Source: Thrasher Research Fund Early Career Award

Role: Principal Investigator

Purpose: To develop and validate electronic health record phenotyping methods for discovery of self-harm and suicidal behavior among 6 to 12-year-old children

Mentors: Bonnie Zima, MD MPH, Loes Olde Loohuis, PhD

Funding Dates: 7/1/2021-6/30/2023

Assessing the Impact of Proposition 64 on Cannabis Use, Maladaptive Cannabis Use, Cannabis Use Disorder Treatment and Public Health

Funding Source: California Bureau of Cannabis Control

Role: Co-Investigator

Purpose: Determine the impact of Prop 64 on overall rates of diagnosis, effectiveness of treatment programs, and health costs associated with cannabis use, leveraging EHR, claims, and state-wide data.

Funding dates: 1/1/2021-9/6/2023

Detection of Childhood-Onset Serious Mental Illness Using Electronic Health Records With PheCAP and Deep Learning (UL1TR001881)

Funding Source: NIH/National Center for Advancing Translational Science (PI: Dubinett)

Role: Principal Investigator of Intramural Award

Purpose: T1/T2 Accelerator Program Core Voucher to examine longitudinal electronic health records and determine minimum thresholds for supervision to detect children and adolescents with unipolar depression, bipolar disorder, psychosis and suicide attempts.

Funding Dates: 6/27/2023-1/31/2024

Computable Phenotyping of Suicidal Ideation and Behavior in Children and Adolescents

Funding Source: Brain and Behavior Research Foundation (BBRF/NARSAD).

Role: Principal Investigator

Purpose: Develop methods to accurately identify youth presenting with suicidal thoughts and behaviors using EHRs

Faculty Mentor: Bonnie Zima, MD MPH

Funding Dates: 1/15/2021-1/14/2023

Special Recognition: Steven, Sally, and Isabel Grimes Investigator, BBRF Research Partners Program

LECTURES AND PRESENTATIONS:

1. DiNicola, G., **Beni, J.**, (2010) Physician and patient satisfaction with each other predicts the quality of their communication. European Association for Communication in Health Care, Intl. Conf. on Communication in Health Care, Verona, Italy. (Research Poster).
2. **Beni, J.**, DiMatteo, M.R., (2010) Predicting patient satisfaction, health and psychological outcome from physician-patient communication - A meta-analysis. European Association for Communication in Health Care, Intl. Conf. on Communication in Health Care, Verona, Italy. (Research Poster).
3. **Beni, J.**, (2010) Predicting patient satisfaction, health and psychological outcome from physician-patient communication - A meta-analysis. University of California, Riverside. Psychology Department. Social/Personality Psychology Brown Bag. (Lecture).
4. Rivera, H., **Beni, J.**, (2010) Physician communication and patient outcome: A meta-analysis. UC Irvine Statewide CAMP symposium. **Award: Special Recognition* (Research Poster, mentored).
5. Torres, D., **Beni, J.** (2011) Shared decision-making and patient satisfaction: A meta-analysis. Medical Scholars Research Program at the University of California, Riverside. (Research Poster, mentored).
6. **Beni, J.**, (2011) Electronic healthcare: How technology, public health and social psychology are forming a new model of patient care. University of California, Riverside. Psychology department. Social/Personality Psychology Brown Bag. (Lecture).
7. **Beni, J.**, (2012) Communication evaluation in real time: Continuous response measurement methodology. University of California, Riverside. Psychology Department. MAMA Seminar in Research Methodology. (Lecture).

8. Miller, T, **Beni, J.**, DiMatteo, M. (2014) Relationship of physician-patient communication to patient satisfaction, health, and psychological outcomes: A Meta-Analysis. AAAS Pacific Division, University of California, Riverside. (Research Poster).
9. **Edgcomb, J.B.**, Lee, M.C. (2016) Effective student preparatory methods for the Clinical Performance Examination (CPX). Western Graduate Education Association, Tucson, Arizona. (Research Poster).
10. **Edgcomb, J.B.**, (2017) Quantifying medication adherence amongst children and adolescents with severe mental illness: A meta-analytic approach. American Academy of Child and Adolescent Psychiatry, Annual Meeting, Washington DC. *Abstract published in the Journal of the American Academy of Child & Adolescent Psychiatry, 56(10): S167.* (Research Poster).
