SUBMISSION DEADLINE IS **FEB 28!**

The UCLA Health Jonsson Comprehensive Cancer Center would like to invite **graduate students**, **postdoctoral researchers** and **clinical fellows** to submit an abstract for consideration for a poster display at the Cancer Center's 2025 All Center Symposium.

This is a great opportunity for students and fellows to share their cancer-focused research projects and network with colleagues! There are a limited number of slots for posters, and those selected are expected to attend the full day Symposium, and be at their poster to answer questions during the formal poster session.
