## Medtronic's Key Insights: A Condensed Fellowship Experience

**When:** Thursday, Nov. 7th 6:30PM

**Where:** Del Frisco's

10250 Santa Monica Blvd Suite 1700  
Los Angeles, CA 90067

Join us for an insightful educational dinner and hands-on lab day focusing on neurovascular disease states and the latest treatment options. This event presents a unique opportunity for fellows to engage with leading experts, explore current treatment strategies, and deepen their understanding of Medtronic's comprehensive portfolio of neurovascular products.

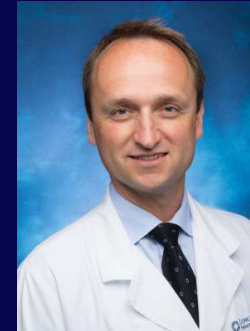

.....
